Inspector General's Statement

Recommended that:

a. The Chief, WH Division, arrange for Headquarters branch or desk officers to visit each Station at least twice a year, and

b. On the basis of these visits and other knowledge of the individual capabilities of each Station, arrange to supply more specific requirements.

DD/P Comment

a. Concur.

b. Concur. Collection requirements are constantly reviewed in the light of demands and/or information requirements placed on the Division by customer agencies. A review of this recommendation at the WHD Chiefs of Station Conference in 25X1A6a 26 January through 2 February 1962 did not surface any inadequacies. Visiting branch and desk officers, however, will be instructed to pay continuing attention to more precise tailoring of collection requirements.
